Introduction

This is an engaging ESL spelling game for students of all ages.

Procedure

Arrange the students into two teams.

A player from each team comes to the board.

Give each player a marker or chalk.

Spell a jumbled word to the two players.

The players write the jumbled word on the board and race to put the letters in the right order.

The first player to put the letters into the correct order scores a point for their team.

Then, two new players come to the board and so on.

The team with the most points at the end of the game wins.
