### Introduction

In this clothes conversation questions activity, students complete and discuss multiple-choice questions based on clothes and shopping to learn about each other's attitudes towards clothing.

### Procedure

Give each student a copy of the worksheet.

To start, students complete multiple-choice questions about clothes and shopping with phrasal verbs from a box.

Exercise A - Answer key

1. go with
2. try it on
3. put on
4. hang up
5. sold out
6. take them back

Next, students choose the correct C answer for each multiple-choice question and write it in the space provided.

Exercise B - Answer key

1. Yes, it must match my other clothes.
2. No, I know my size, so I don't need to try it on.
3. Yes, I think carefully about what I'm going to wear.
4. Yes, I hang them up in my wardrobe.
5. No, I would ask the shop to order it for me.
6. Yes, I would change them or get a refund.

After the answers have been checked, divide the students into pairs.

Then, have the students ask and answer the questions from the worksheet with their partner to find out each other's attitudes towards clothes.

Afterwards, have a class feedback session to find out if the students have the same attitudes towards clothes or not. Any interesting findings can be discussed in more detail.
